

MINUTES
PML Aero Club
February 5, 2011
9:30am to 11:00am
Jobe Hangar

Attendees: Bob Hornauer, Dennis Smith, Catherine Santa Maria, Leon Liebster, Steve Martin, Dave Morgan, Larry Jobe, and Jim Goodrich

1. **Approve Minutes:** Minutes prepared and distributed by email by Jim. Minutes approved with changes made by Catherine.
2. **Finance Report:** Finance report was presented by Catherine. Finance Report received and filed.
3. **Training & Safety**
 - a. **Ground School:** Ground School by Mike G. going well.
 - b. **Safety Officer:** The current safety officer is Bob (who is also the VP, chief mechanic, and chief pilot). Dennis suggested that we remove some of the pressure from Bob and distribute club activities around the membership. He further suggested that Joe take over the duties of Safety Officer. Joe and Bob agreed to this change. Joe will be developing a monthly safety program.
4. **Maintenance**
 - a. **Intercom/Audio Panel:** Installed by High Desert Avionics for about \$3,500. Jeff did a great job. The Apollo GPS could not be up to the top of the radio stack because the mounting rails are too "intruded" by past rivet holes.
 - b. **Instrument panel cover:** Jeff also fixed the instrument panel and panel cover.
 - c. **Other**
 - Jim will order an inspection plate
 - Jim will order rubber boots for the rudder pedals.
 - Jim will put the audio panel manual on the website.
 - Maintenance items that need to be scheduled:
 1. Check left wheel bearing because wheel is wobbling.
 2. Replace screw in engine cowling.
 3. Get old tires re-treaded.
 4. Replace rubber rudder boots.
 5. Bet strut fairing painted (Jim will ask Alan Buchner to do this and ask for paint in a spray can).
 6. Install new strut fairing.
5. **New Website: E mail from Jen Kidd?** Jim will add link to website.
